

# A Closer Relationship With God

Sin is incredibly\_\_\_\_\_.

We have been \_\_\_\_\_ every spiritual blessing and innumerous physical blessings as well.

\_\_\_\_\_ - 'to accord little worth to something, feelings of contempt or scorn.'

We can easily despise, treat as \_\_\_\_\_, our God of immeasurable worth.

My un-confessed sins and the weighty guilt that I feel get in the way of my \_\_\_\_\_ with God.

\_\_\_\_\_ = Recognize and Turn

Recognizing means calling sin – \_\_\_\_\_!

Turning means seeking \_\_\_\_\_ of relationship with God and others and then doing whatever it takes to not break fellowship again

Repentance should be a \_\_\_\_\_ because sinning is a lifestyle.
